

## PIN POSITIONS

The above layout indicates three zones on a green. Front (Red), Middle (White) and Back (Blue). The Yellow arrow indicates the entrance point from the 150 yards fairway marker. The black arrow on the left side indicates total green depth (in yards) and the top black arrow indicates total green width (in yards).

Yardages from the tees and fairway sprinkler heads are to the center of green.

Each course will now have a mixture of red, yellow and blue **Main Flags** serving as pin location indicator replacing the former small indicator flags. The flags will no longer indicate the course you are playing.

<b>RED FLAG</b>	=	<b>FRONT 1/3 OF GREEN</b>
<b>YELLOW FLAG</b>	=	<b>MIDDLE 1/3 OF GREEN</b>
<b>BLUE FLAG</b>	=	<b>BACK 1/3 OF GREEN</b>
