

Temporary Suspension of Electricity & Water Supply

Please be informed that there will be temporary suspension of electricity & water supply on Monday, 24th August 2015 between 09:00 and 14:00 due to replacement work by the China Light and Power Co. Ltd. (CLP) at Discovery Bay Golf Club.

Please kindly note that a limited F&B menu would be served and the general telephone lines and booking system would be suspended.

Please call 2987-3750 for enquiries during this period.

The electricity & water supply will resume as soon as the above mentioned work is completed. Should you have queries, please do not hesitate to contact the Club.

We apologize for any inconvenience caused.
