

Relocation of DB01R Bus Terminal at Tung Chung and Adjustment of Timetable

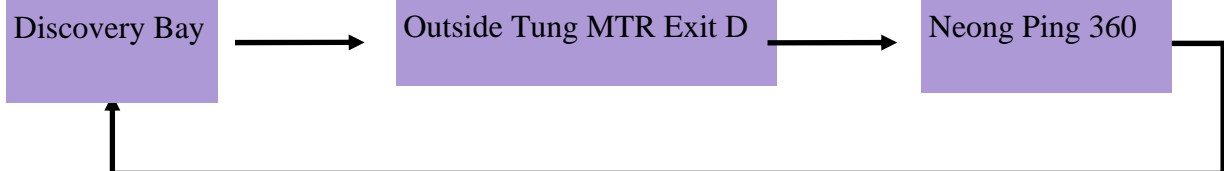

PASSENGER NOTICE

The Tung Chung terminal of DB01R bus has been relocated to the Temporary Bus Terminus near Ngong Ping 360 to facilitate the extension works of Citygate. In view of the distant location of the temporary terminus, we have **added a new bus stop near Exit D of Tung Chung MTR Station** (behind Lantau Taxi stand). It is quicker and more convenience for passengers to get on/off at this new bus stop when travelling to/from DB.

New departure time between **Tung Chung Station Exit D and Discovery Bay** please refer to the attached new bus timetable.

Please call to customer service hotline at 3651 2345 for more information.
