

DBGC Additional Precautionary Measures to Prevent Spread of the Novel Coronavirus

Please be advised that the following additional measures will be implemented with immediate effect;

1) Everyone entering the Club must have their temperature checked by staff at the Bus Terminus and Club entrance. If they are found to have a temperature greater than 37.5 degrees centigrade, they will be advised to seek medical attention immediately.

2) All Members and guests must fill out the travel declaration form in the lobby and submit to Reception before collecting their tee off ticket.

Thank you for your cooperation and understanding

Club Management
